karthisoori364@gmail.com

Enthusiastic and dedicated software developer with a passion for learning and a strong foundation in programming principles. Eager to contribute to dynamic projects and expand skill set in a supportive and growth-oriented environment.

EDUCATION

Sir Theagaraya College,Chennai - Bachelor of Commerce

JUNE 2018 - APRIL 2021

Jayagopal garodia govt higher secondary school Chennai- Manali New Town

JUNE 2016 - APRIL 2018

PROJECTS

YouTube Clone —— Built Using HTML, CSS and ReactJS

- A YouTube clone application built using ReactJS is a web-based platform that replicates the core functionalities and user experience of the popular video-sharing website, YouTube. It allows users to search, watch, upload, and interact with videos similarly.

Food-Delivery —— Build using MERN Stack

- Developed a dynamic food delivery website using the MERN stack (MongoDB, Express.js, React, Node.js). Implemented user authentication, order processing, and real-time updates to enhance user experience. Designed a responsive UI for seamless navigation across devices. Integrated RESTful APIs for efficient data management and retrieval.

SKILLS

Web development

Node js

Mongodb

Express js

React js

Excel

Git and GitHub

CERTIFICATES

Fita Academy Certified MERN Full Stack

ADDITIONAL

I regularly practice coding on HackerRank and Leetcode.

LANGUAGES

English, Tamil
